Seeing Henderson through

With

The Camera's Eye

Gloria Young, Editor Martha Searcy, Bus. Mgr.

FOREWORD

The 1945-46 school year has passed with peace once again reigning supreme on our campus. And with the return of peace has come the return of many of our fellow Hendersonians who have been fighting to win this peace. Our wonderful new president, increased enrollment, football and the return of other inter-collegiate sports have made that Reddie Spirit burn even brighter this year. The 1946 Star Staff has tried to capture this spirit in pictures and preserve it for you in this camera's-eye-view of the year. We hope you like the 1946 Star but we are willing to wait for your appreciation until some future day when this book will bring back to memory the days pictured here.

DEDICATION

To one whose love for Henderson
has remained constant for many
years; first as a student and later as
a professor; whose Reddie Spirit has
never faltered; whose enthusiasm
has inspired us all to a greater love
for our school; to PERCY W. TUR-
RENTINE, our friend and teacher, we
affectionately dedicate this—

Dr. Dean Depew McBrien

Dr. Dean Depew McBrien became president of Henderson State Teachers College on July 1, 1945, and his freshman year with us has been one of the most successful in the history of the school. He has taken an interest in every phase of the campus life. Because of his interest, student activities have become more extensive, the curricula has been broadened and Henderson is well on her way to becoming the best of them all. In one short year he has become a true Reddie; and the 1946 Sitar voices the feelings of all Hendersonians in extending to him a very warm welcome and the hope of many more years of his wise leadership.

A S S E S

TO HENDERSON'S VICTORIOUS MEN

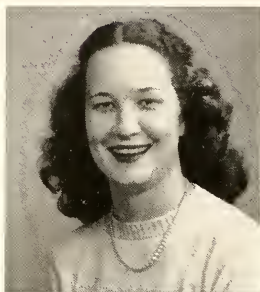

The war is over, and it is the wish of all that the horror, the privations, the intense sorrow that the war brought may quickly be forgotten. But no one can forget—nor wants to forget—the price that peace has demanded. No true Reddie can forget the sacrifice made by his fellow Hendersonians who helped to bring peace once again to this campus. To you who fought and returned, we extend our deepest thankfulness. In memory of you who did not return, we have placed a gold star over the blue one which represented you on our service flag—gold, to symbolize the richness of the gift you placed upon the altar. It is our sincere hope that we who remain behind can make this "school with a heart" all that you would want it to be, and that we can keep the Reddie Spirit ever burning in the hearts of all who come here.

Miss Gloria Young
Editor, The Star
Henderson State Teachers College
Arkadelphia, Arkansas

Dear Miss Young:

It has been a great pleasure to select five beauties for your yearbook, the STAR. The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

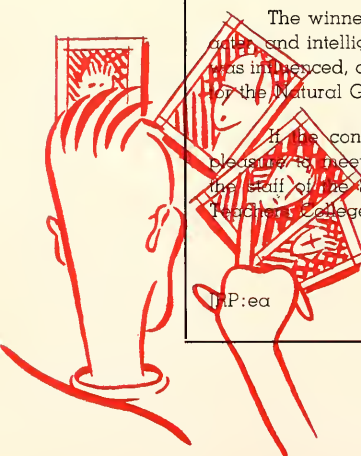

The winner was selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

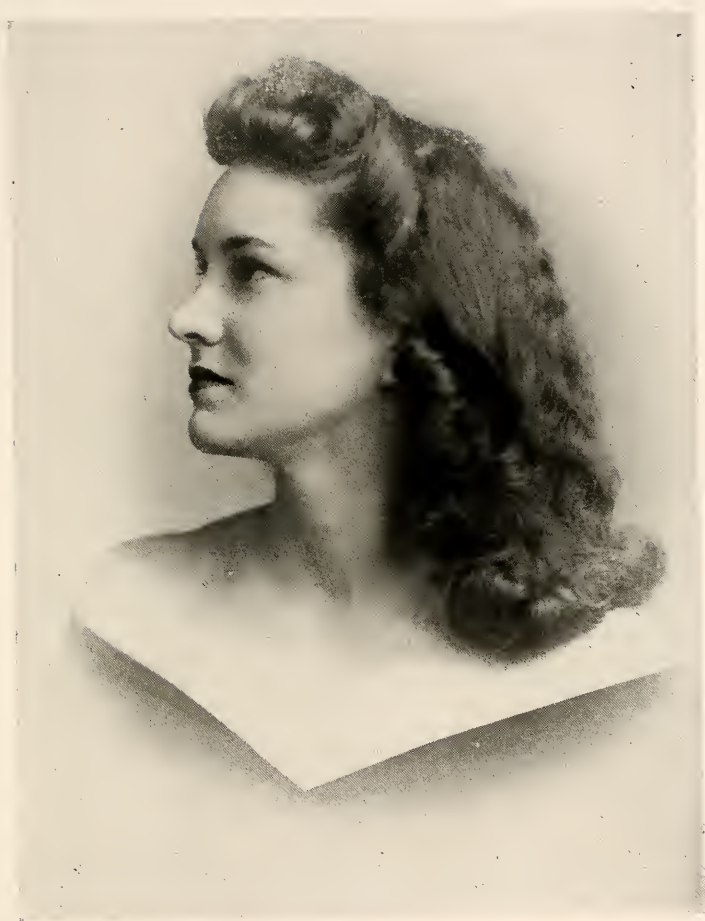

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of the STAR, and to the students of Henderson State Teachers College, I am

Sincerely yours,

John Robert Powers

WHO'S WHO AMONG STUDENTS

In American Universities and Colleges

ANNE ABERNATHY CHRISTOPHER

A fragile-looking blonde, Anne is endowed not only with good looks, but artistic ability and enough mechanical knowledge to repair a bus. Her sparkling wit and journalistic powers have gained her a position as editor of the Oracle, which is only one of her many honors.

BEVERLY BEANE

To list all of Bev's honors would be impossible. Perhaps her major honor is that of president of the student body this year. She was also elected most popular girl and most valuable student in the college Who's Who. Always smiling and ready for fun, a friend to all, it's easy to see why she was elected to national Who's Who for the second time.

JAMES BEESON

A transfer from Magnolia A&M in his Junior year, Beeson quickly made a place for himself on the Henderson campus. He is an officer in the senior class and Gamma Sigma, member of the Oracle Staff, and president of Y.M.C.A. for two semesters. His ability to make friends and get things done has won him a place in national Who's Who.

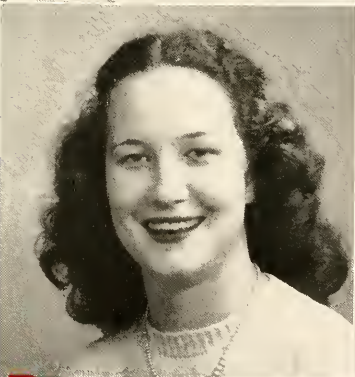

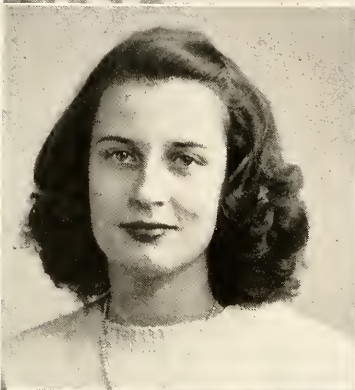

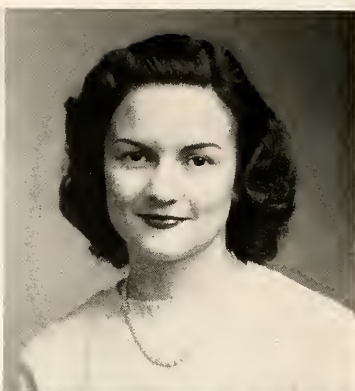

BLANCHE DRAKE

A talented music student, who also possesses charm and intelligence, Blanche was selected for national Who's Who her Junior year. An officer in Beta Mu, Y.W.C.A., and B.S.U., Blanche has proved her leadership and dependability. She is a member of Kappa Delta Pi and Philo Sorority.

NORMA SUE JONES

Elected to national Who's Who for the second year, Sue has proved herself worthy of this honor. A transfer from the College of the Ozarks her sophomore year, she soon caught the Reddie Spirit. A music student, a college beauty, Sue is also R.O.T.C. Sponsor, president of the Women's Council, president of Beta Mu and an officer of Philo Sorority.

WHO'S WHO AMONG STUDENTS

In American Universities and Colleges

BILLYE OLIVER

A slow southern drawl backed with vitality, dry wit, and intelligence characterize "Stinky." President of the Science Club, Senator-at-large of the student body and a member of Philo Sorority, she has proved herself worthy of the honor of being elected to national Who's Who in her Junior year.

MARTHA SEARCY

A little girl with not only beauty but brains, "Mott" has proved that the best things come in small packages. She has been voted a beauty for four years and most popular girl for two years in the college Who's Who. Elected to national Who's Who for the second year, she is also president of Philo Sorority, president of the French Club, member of Kappa Delta Pi and Business Manager of the Star.

BETTY STROBEL

A striking-looking brunette with plenty of intelligence and dependability, "Struggle" has easily won a place in national Who's Who. Elected to national Who's Who for the second year, Business Manager of the Oracle and treasurer of Philo Sorority. She is also an officer of Kappa Delta Pi and a member of the Women's Council.

MARY ELIZABETH WATTS

A Junior student, Mary Elizabeth is president of Y.W.C.A. this year and a member of Beta Epsilon Chi. Last year she served as pledge mistress for Philo Sorority. Reserved, dependable, with an ability to win many friends, she deserves a place in National Who's Who.

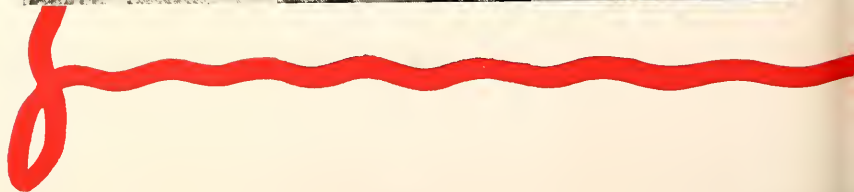

MARGARET WEAVER

A contralto voice beyond compare, Reddie Spirit, personality plus, "Red" is president of the Senior Class, secretary of Philo Sorority, and vice-president of the Women's Council. She has made a place for herself on the Henderson campus that cannot be filled by anyone else.

GLORIA YOUNG

A truly all-round Reddie, is Gloria, our Editor of the Star. Her poise, personality and dependability have won her a place for two years in national Who's Who. Gloria is not only friendly to all, but she is capable as well. For these reasons she has won such high honors as president of Kappa Delta Pi and Queen of May Day. Her pleasant disposition and vitality have made her one of the favorites on the campus.

KING AND QUEEN HALLOWE'EN

"Ri-ght this way folks! Visit the photo gallery—play Bingo—go through the Chamber of Horrors—step into the Kissing Booth—Hot dogs and cider—Right this way." Once again the annual YM-YWCA Hallowe'en Carnival was in progress. After the crowds had visited all the attractions it was time for the main event of the evening—the coronation of the King and Queen!!! King JIGGS STEWART and Queen POLLY TONEY of the Sophomore Class were crowned by President McBrien. Ascending their pumpkin-bedecked throne of hay, they reigned over the dance which followed. Members of the court were: Margaret Weaver and James Beeson from the Senior Class; Billye Oliver and William Martindale from the Junior Class; and Mildred McCrary and Louie Harp from the Freshman Class. Crown-bearers were little Miss Anna Kate Reid and Little Duke Wells.

KING AND QUEEN O' HEARTS

Valentine Day approaches—days of planning, campaigning, and hoping ensue — posters and placards supporting each candidate appear — frantic searching begins for enough money to make that payment on the annual—promises of votes are made—then, the Day! Tension—watchfulness—suspense. Has everyone voted? Four o'clock comes—it's all over! Now we'll know—But not the vote-counters are pledged to secrecy—Eight o'clock arrives at last—It's time for the Valentine Ball sponsored by the Star. The armory is crowded—the orchestra begins and we have—the King and Queen of Hearts, LOUISE PARHAM, Philo, and FRANK ZIMMERMAN, Gamma. Crowned by Dr. McBrien, they lead the Grand March with their attendants: Maid of Honor, Lea Etta Seymour, Upsilon Phi and Escort, Ralph Murry, Garland; Mignon Ford and Joe Sweatt, Senior Representatives; Billye Oliver and Gene Thompson, Juniors; Mary Sue Johnston and Jiggs Stewart, Sophomores; and Charlyne Clark and Bobby Lewis, Freshmen. Crown-bearers for the occasion were Hugh Hyman, Jr., and Miss Florence Turrentine.

THE 1945 FOOTBALL SEASON

BY BILL HALLIBURTON AND JIM GREENE

(Sports Editors of the Star)

We're proud of the record our Henderson Reddies made in football this season. Although Coach Duke Wells was notified only a few days before school opened that the Arkansas Inter-Collegiate Athletic Conference had lifted the three-year ban on football, he took what material was on hand and developed a well rounded football squad. None of the 1945 Reddies had had any previous experience in college football. Reinforced by returning service men who had played ball in high school, the team steadily improved. There is little doubt that if Coach Wells had had his end-of-season squad as early as September the Reddies would have emerged with a much brighter record. Statistics for the season read: three games won and five lost, with the Redmen scoring 62 points to their opponents' 92.

But the Reddies were a much better team than the figures indicate. They finished second only to the powerful Arkansas Tech Wonder Boys in the A.I.A.C. Henderson also had the distinction of being the only tech in the nation to score against Tech, one of the eleven college and university teams to complete the games with an undefeated and untied record. The Redmen also scored as many extra points and safeties as their opponents.

REDDIE

REDDIES 0—NORTHEAST CENTER 12

The season opened on the night of September 27, against the strong L.S.U. Northeast Center team in Monroe, Louisiana. As the Reddies had been drilling only two weeks before the opener, they considered it a moral victory when they held the Louisianans to two touchdowns.

REDDIES 21—OUACHITA 0

Two weeks later the Redmen were ready to meet their traditional cross-town rivals at Ouachita. The Henderson eleven thrilled the large crowd by completely trouncing the Tigers to the tune of 21-0 in their own back yard. The game was played under the lights at A. U. Williams Field. By this time they had gained the whole-hearted support of the Henderson students and fans.

REDDIES 0—ARKANSAS TECH 22

But the Reddies didn't get the "big-head," for they knew that only one week away stood the tough struggle with the Arkansas Tech Wonder Boys in Russellville. Tech—rated by some experts as the best college eleven in the state, including the Arkansas Razorbacks—was held to but three touchdowns and a safety. The Reddies returned home to find the entire student body behind them as always, in victory or in defeat.

STARS

REDDIES 7—EAST OKLAHOMA TEACHERS 27

The Redmen felt confident of a victory on October 26, the Inauguration Day of our new president, Dr. D. D. McBrien, but the scheduled Arkansas State Teachers College Bears were forced to cancel their game. Coach Wells was determined to book a game for the big occasion and succeeded in pitting his Henderson Reddies against the powerful East Oklahoma State Teachers College Tigers. Fans were thrilled upon hearing that another Reddie-Tiger game was on the menu, since any Bengal team is always a bitter enemy. The heavier, more experienced Oklahomans finally wore the scrapping Reddies down and scored a 27-to-7 victory. But, as always, we still thought the HSTC lads were plenty good.

REDDIES 13—ARKANSAS STATE 0

The following week the mighty Reddies were hosts to the Arkansas State College Indians from Jonesboro. It was a cold, dark and rainy afternoon, but this didn't bother the Wells Wows. The Reddie spirit soared in the heart of every loyal Hendersonian as the victors marched from the Haygood Stadium where the scoreboard read: 13 to 0.

REDDIE

REDDIES 6—ARKANSAS TECH 25

But again the Redmen knew that another game with Tech was only seven days off and refused to become too over-confident. When 2 p. m. on November 16 rolled around, Coach Duke and our Reddies weren't the least bit frightened by the undefeated, untied, unscored-on record of the Wonder Boys. Tech brought its band and a large portion of the student body to witness what they thought would be another "push-over." They were disappointed, however, because the Reddies fought them tooth and toenail in their best-played game of the year before bowing, 25-6. The Reddie spirit soared again, for our boys had done what no other team had done—THEY HAD SCORED ON TECH!! We were more proud of our six points—the last touchdown of the game—than the Russellville fans were of their 25. Those six points proved to be all that marred an otherwise perfect season for Arkansas Tech.

REDDIES 15—STATE TEACHERS 0

The Reddies traveled to Conway to play the Arkansas State Teachers College Bears on the night of November 22. Two bus-loads of loyal Reddie rooters braved the bitter cold and windy weather to support their team in this conference game. They were rewarded by seeing the Redmen whip the Bears in their own den, 15 to 0.

STARS

REDDIES 0—OUACHITA 6

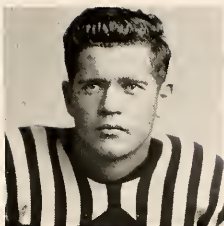

And so the last game of the season rolled around. It was the contest we had been priming for all season—the 35th annual Turkey Day home-coming football classic with Ouachita. Many local Reddie fans turned down invitations to go home for Thanksgiving just to be on hand for the Reddie-Tiger tussle. After a big pep-rally and parade—like the good ole' pre-war days—the afternoon finally arrived. In the pre-game ceremony, Barbara Johnston was crowned queen of the Reddies. She and her maids each presented a big kiss to the captain and players after the coronation. Both grandstands of Haygood Stadium were unable to accommodate the crowd. From the starting play until the final whistle the contest was one of the hardest fought in years. Both teams had been greatly improved since their earlier encounter, and the fans saw a great game. The Tigers eked a touchdown across, during the final period, and the Reddies came back with blood in their eyes. The aerial attack began to click, and the Tiger goal was getting closer. But time waits for no one; not even HSTC. The game ended with the Reddies deep in Tiger territory, easily within scoring range.

We were stunned, of course, but our Red-men had played a splendid game, and we weren't too down-hearted. It was a tough one to lose, but after all, we broke even with the Tigers for the season and finished ahead of them in the A.I.A.C.

Coach Wells, the Reddies and the Reddie fans are eagerly anticipating a great year for football.

THE 1946 BASKETBALL SEASON

By JIM GREENE

(Co-Sports Editor of the Star)

Basketball is a game which always offers a large variety of individual accomplishments for the sports writers to play up. Even when a team has an "off season," there are invariably certain highlights which rank a wee bit higher than those suggested by its opponents. Thus, when the 1946 cage season ended with various quintets above HSTC in the percentage column, we could still muster enough evidence to prove that the Reddies were the best in Arkansas.

In the first place, our 1946 Reddie aggregation was the highest-scoring team in the state. Their 1421 points for the season ranked second to none. Then, too, the Redmen were the only conference team to defeat the A.I.A.C. champion Arkansas State Teachers College Bears.

Guy Martin, Henderson's ace center, was one of the leading scorers of the state, averaging 11.5 points for the 22 games in which he played. The leading Arkansas point-maker, Wylie Staggs of Magnolia A&M, had participated in only 12 games to average 16.5.

What the Arkansas collegiate coaches thought of the 1946 Reddies is reflected by their selection of two Henderson players on the All-State Basketball Team. In the selection of a non-scoring guard on the first team, they demonstrated a certain sagacity in regard to the importance of defensive play. That Carroll Wood was the outstanding defensive player in Arkansas is a fact challenged by none. Then, too, Jim Fisher gained a forward berth along similar lines. Reporting for practice at mid-term, he was far down the scoring list and was just beginning to hit his stride when the season ended. It might be mentioned that Henderson's Julius Adams made the second team All-State and Guy Martin the third team.

Although near the cellar in A.I.A.C. competition, Coach Duke Wells' Reddies won 16 out of 26 games played during the regular season, ranking second only to Arkansas Tech when non-conference games were considered. After the regular season had ended, the Redmen entered the A.A.U. tournament in Little Rock and reached the quarter-finals before being ousted in the final minutes of a close game with Ouachita. Considering the three tournament games, the Reddie season for 1946 reads as follows: Won 18; Lost 11; Percentage .620.

ORACLE

ANNE ABERNATHY CHRISTOPHER

"Who made the Lowdown this week?" "I didn't know she dated him." "That was a good poem on the front page this week; plenty of talent in this school." These are a few of the comments that are made when the bi-weekly newspaper comes out.

The Oracle made its way to many high schools throughout the state this year, so that the students who planned to attend college could see just what wonderful things do happen at Henderson.

Nothing slips by our editor; consequently, every two weeks the student body gets a summary of all that goes on on our campus.

Philo

"There'll always be fondest memories"—Yes, the memories of Philos will always linger in the hearts and minds of all those who were members. "And cherished they'll ever be." These happy days can never be forgotten.

The Philo dance in honor of Henderson's new president was the most gala occasion of the year. And Philo's other entertainments are never-to-be-forgotten events.

Philo stands for true womanhood and the benefits of being a member could never be measured in worldly goods. The Philo ideals will always live in the hearts of all of her girls.

Upsilon Phi, which grew out of the oldest social organization on the campus, celebrated its second year as a sorority. Once again it showed that its reputation for friendliness, loyalty, and service is well deserved. This year it has been a vital part of life and activity at Henderson. Its rush parties and Christmas dance will long be remembered as outstanding social events of the year.

Sororities and Fraternities

(During the spring semester of the 1945-46 school year, the four local fraternities of Philo, Up, Gamma and Garland were replaced by seven national A. E. S. fraternities. Since the Star had already gone to press, it was too late to include pictures of the seven charter chapters, but the Star Staff wanted to scoop the Stars of coming years by including a list of officers, members, and installation dates of these seven new groups . . . A NEW CROP IS MATURING FOR EVERY CROP HARVESTED

To perpetuate its activities . . . that with each tomorrow it could look back and be justifiably proud of its past achievements . . . years ago Crossett launched upon a permanent program of selective harvesting and reforestation. With the ensuing years the wisdom of such a program became more and more apparent; but the crucial test came with the war.

Taking care of our fighting forces necessitated lumber production in quantity without precedent. To feed the sawmills, millions of trees were cut from the Crossett forests. Yet, under the well advanced reforestation program with which is integrated the making of paper and chemicals, these same forests continue to grow and mature millions of new trees, underwriting a continuing timber supply for future harvests.

In the light of this and comparable achievements in manufacture and research, Crossett takes the events of the new era in their stride . . . moves toward the new horizons confident of brighter days and ever-broadening opportunities for all those engaged in the lumber industry and trade.
